Gladness Comes

With a better understanding of the trappant nature of the many physical ills, which vanish before proper diet—gentle efforts—pleasant efforts—rightly directed. There is no doubt that many of the many forms of sickness are not due to any actual disease, but simply to a complicated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. It is the only medicine used by millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the only remedy which promotes intestinal cleanliness without irritating the delicate organs on which it acts. It is therefore so important, in order to get the bene-

chase that you have one genuine article, which is manufactured by the California Fly Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

HE KNOWS WHEREOF HE WRITES

A N editor prints his paper to give patrons the news of the day and the money that is in it. He is presumed to know what he writes, and his correspondents, when he writes as he does his "Leader Column, Ocasco Mills Pa., without fear or favour, that "Chamberlain's Cough Remedy acts morally, and is better, none better, in our household. You have a cough, try it. It may be accepted as an honest expression, worthy of credit. For sale by All Dealers, Watkins & Co. General Agents.

dissect it may be taken as a sure sign of the approach of an attack. Tallowing this chamberlain is a peculiar rough cough. If Chamberlain's Cough Remedy is given at this time, the cold will become hoarse, and even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mother. We have yet to learn of a single case in which it has not proved successful. No other preparation can show such a record—twenty-five years constant and without a failure. For sale by All Druggists. Vestline
